

Address

A lifestyle statement that says as much about your personality as where you want to go, this head-turning, street-smart all-rounder is more than a stylish commuter. Sporting breathtaking acceleration and optimized fuel economy, and an accommodating 20.6 liter luggage compartment that provides more than ample room for your helmet and riding gear. Plus, the sleek city dimension makes every ride - whether it's to the school or office, shopping runs - a sheer exciting.

GET AROUND ALL-ROUNDER

Low fuel consumption

To improve combustion you must control the combustion speed within the combustion chamber. By focusing on the tumble motion Suzuki engineers have improved combustion efficiency. Tumble motion is the vortex flow generated when the air-fuel mixture enters the combustion chamber from the intake port. This improved efficiency has been achieved with an optimized surfaces for the exhaust valve head and intake port.

Riding position (1)

The Address's floor board has enough space to adjust your foot position and provides plenty of space to accommodate any size of shoes, ensuring comfortable positioning.

Large fuel tank

Equipped with a large-capacity 5.2 liter fuel tank, the great fuel efficient engine propels the Address up to an astonishing distance on a single tank.

Headlight

Enlarged distinctively shaped headlight is smartly integrated into the handle cover, with chic black trim mask giving the front a sharp yet slim appearance.

Character line on body surface

Finely designed edges and slender lines along the body and to the leg shield and fender evoke unique youthful personality that make you stand out with verve and vitality.

Underseat storage (2)

Stash your full-face helmet*, rain gear and other items in the roomy 20.6 liter utility compartment, generously designed for extra spaciousness and convenience.

Note
- Helmets and luggage items are shown for illustrative purpose only.
- Helmets of certain shapes may not fit in the underseat storage compartment.
- Do not use the storage compartments for items that are fragile, valuable, dangerous, or susceptible to heat.

Rear carrier

A large-capacity rear carrier comes as standard equipment and can be fitted with a genuine accessory top case. (Maximum weight 5 kg)

Side stand interlock system

A side stand switch prevents engine ignition, while the side stand is down.

Covered key with seat opener (3)

Key hole is covered by lid to prevent motorcycle theft. Easily access the under-seat compartment using the main ignition keyhole, eliminating the need to remove key to open seat compartment.

Front inner Pocket (4)

Both left (600 ml) and right (500 ml) storage compartments provide ample room together with covered key functionality layout above the right pocket. (Total maximum weight 1.5 kg)

Convenient hook

A sturdy convenience hook lets you hook and carry your many types of bag. (Maximum weight 1.5 kg)

Rear brake lock system

The rear brake can be locked in the engaged position. Useful for stabilizing the vehicle for parking using the side stand.

Great Fuel Economy

The 113cm³ power plant delivers good acceleration and fuel efficiency. Providing the low amount of friction among SUZUKI's performance-proven compact motor scooter engines, this remarkable motor powers the Address to high heights of performance and fuel efficiency. Optimized valve angle and intake port design combined with an intelligent fuel-injection system, sophisticated camshaft and roller rocker arm together make Suzuki Address not only powerful and economical but extremely quiet.

Comfortable style

It's not hard to be noticed with the Address's definitive sharp, youthful good looks. And this universal shape attracts far beyond your local streets to every road you ride - near or far.
